Exodus 15:26

Ang sabi nya “kung ako ay buong puso ninyong susundin, kung gagawin ninyo ang matuwid at susundin ang aking kautusan at mga tuntunin hindi ko ipaparanas sa inyo ang alin man sa mga sakit na ipinadala ko sa egipto, akong si Yahweh ang inyong mangagamot.

INTRODUCTION

We dare to believe that God is reality beyond & beneath and around all things, visible and invisible and that He provides for us all we need because He loves and saves us.

* Human life is a great gift that every part of it is designed by God and blessed by God and therefore to be enjoyed.

* The only serious mistake is when illness comes when anxiety threaten us and conflict disturbs it triggers us into something that fell into our situation.

INTRODUCTION

* Life is full of destruction and irrelevances at ito'y nagaganap nang di natin nalalaman o nanghihingi ng permiso upang ito'y maganap sa ating buhay.

* But did you ever asked yourself why God is good? He takes delight in doing good things for His people, not because we deserve it, kundi may nais siyang maramdaman mo ang kanyang pagmamahal. Sa pamamagitan ng kagalingan na isa sa tuntunin ng buhay na tayo ay dapat manatiling malakas sa tulong ng biyaya niya.

WAYS TO BE HEALED (James 5:17-18)

Elias was the some kind of person as we are. He prayed earnestly that there would be no rain and rain fell on the land for three and half years. Once again He prayed, and the sky poured out its rain and the earth produced the crops.

Prayer is never the first word. It is always the second word.

1. God has the first word.

> He's God our God in charge of the whole earth – **Psalm 105:7**

Mark 11:24

“For this reason I tell you when you pray and ask for something, believe that you have received it and you will be given what ever you ask for.”

**2) FAITH IS A FORCE ON HEALING IT'S A PLUS FACTOR.
(MARK 6: 5-6)**

He was not able to perform any miracle there, except that He placed His hands on a few sick people and healed them. He was greatly surprised because the people did not have faith.

> Healing is the magnet that draws believers together and attracts the unbeliever to Christ.
(Matthew 8-10 – Matthew 9:25)

3) CALL THE ELDERS OF THE CHURCH AND ASK FOR PRAYERS. (James 5:14-15)

Is there anyone who is sick? He should send for the church elders, who will pray for Him in the name of the Lord. This prayer made in faith will heal the sick person; the Lord will restore him to health, and then the sins He has committed will be forgiven.

- > Ang sabi ng Diyos huwag kang matatakot di kita pababayaang o iiwanan (**Jeremiah 1:8**)
- > O umiinon ng kung anu-anong ritual.
- > Let's not think of ourselves as healthy & fit because we're not, call the elder of the church and ask for prayer.
- > The Lord sustain us day by day we're not ready as a newborn baby.

4) CONFESS YOUR SINS TO ONE ANOTHER AND PRAY FOR EACH OTHER
(James 5:16)

So then confess your sins to one another, and pray for one another, so that you will be healed. The prayer of good person has a powerful effect.

> Praying with one another makes God's work. So take your time to pray.

CONCLUSION

Sickness and trials are just ingredient of life.
Mix them with faith and hope and finally
covers them with prayers.

Life is not perfect but if we find the right
proportion in mixing out if ingredients we
could finally say...

**Thank you Lord for the gift of life.
God blesses us all!!!**
